SUMMARY

Dedicated and enthusiastic Computer Science professional with a strong passion for coding and development. Demonstrates expertise in Java and web development, with a systematic approach to writing clean, efficient, and well-structured code. Possesses strong problem-solving skills and is eager to learn new technologies and contribute effectively to team projects.

TECHNICAL SKILLS

- Java
- Python
- C, C++
- SQL
- HTML, CSS
- PHP

SOFT SKILLS:

- Strong collaboration and teamwork abilities demonstrated through group projects and event coordination.
- Effective communication skills developed through presentations and technical documentation.

PROJECTS

Electricity Billing System

Developed an Electricity Billing System with dynamic bill generation and customer data management. Integrated Java for the application logic and MySQL for secure data storage and retrieval. Enabled Functionalities such as customer registration, meter reading entry, and bill calculation.

Tools Used: Java, MySQL

URL Link: [Electricity Billing System](#)

Game Application

Developed a game application featuring user authentication and interactive gameplay. Utilized Pygame to create login and game screens, and SQL for storing user and game data.

Tools Used: Pygame, SQL

URL Link: [Web Display For Game Application](#)

College Website Development

Designed and developed a responsive college website with user-friendly navigation. Utilized HTML and CSS for Front-end development, and implemented PHP with SQL for backend processing and data storage.

Tools Used: HTML, CSS, PHP

URL Link: [College Website](#)

EDUCATIONAL

- B.Sc. Computer Science, The New College - University of Madras, India. 2022-2025

CERTIFICATES

- Java Programming Language Jan 2025

ACHIEVEMENTS & ACTIVITIES

- Awarded Merit Certificate in 2024 and 2025.
- Coordinated events conducted by the department club, enhancing leadership and organizational skills.
- Participated in college events focused on fast coding, demonstrating quick problem-solving abilities.

ADDITIONAL DETAILS

Nationality	: Indian,
Language Proficiency	: English, Tamil
Availability to start work	: immediate
Driving Licenses	: India (4-wheeler)
